About This Policy - Notice to the Insured

This **Policy** is a legal contract. Please read it carefully to ensure that it is in accordance with **Your** requirements and that **You** understand its terms and conditions. **Your** insurance broker or intermediary who arranged this **Policy** should be contacted as soon as reasonably practicable if any correction is necessary.

When drawing up this insurance, **We** have relied on the information and statements that **You** have provided in the proposal form declaration or statement of fact. Please read this **Policy** carefully to ensure that it meets **Your** requirements

"Claims Made and Notified" General Information

The information under this heading is provided for general information purposes only and does not form part of the contract of insurance or impose any contractual obligations on any insured or create contractual rights between us.

Certain insuring clauses in this **Policy** operate on a "claims made and notified" basis, which means that they:

- cover claims made against the relevant insured and notified to the insurers in writing during the **Policy Period**; and
- do not provide cover in relation to:
 - claims made against an Insured after the expiry of the **Policy Period**, even though the event giving rise to the claim may have occurred during the **Policy Period** (unless specified otherwise);

- claims made against an insured notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- claims made, threatened or intimated against an insured prior to the commencement of the **Policy Period**;
- facts or circumstances of which an insured first became aware prior to the **Policy Period**, and which they knew, or ought reasonably to have known, had the potential to give rise to a claim under the **Policy**;
- claims arising out of circumstances noted on the proposal for the current **Policy Period** or on any previous proposal form;
- claims arising from civil, administrative, criminal or regulatory proceeding, investigation, arbitration or adjudication that existed prior to, or was pending before, the commencement of the **Policy Period**.

If the insured gives notice in writing to the insurers of any facts that might give rise to a claim against them as soon as reasonably practicable after they become aware of those facts, but before the expiry of the **Policy Period**, they may have rights under Section 40(3) of the *Insurance Contracts Act 1984* (Cth) ("the Act") to be indemnified in respect of any claim subsequently made against them arising from those facts, notwithstanding that the claim is made after the expiry of the **Policy Period**.

Such rights arise under the Act only. The terms of the **Policy** and the effect of the **Policy** is that the insured is not covered for claims made against them after the expiry of the **Policy Period**, unless specified otherwise.

Language

The language of this contract of insurance will be English.

Duty of Disclosure

Before **You** enter into an insurance contract, **You** have a duty to tell **Us** anything that **You** know, or could reasonably be expected to know, may affect **Our** decision to insure **You** and on what terms. **You** have this duty until **We** agree to insure **You**. **You** have the same duty before **You** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **Us** anything that:

- reduces the risk **We** insure **You** for; or
- is common knowledge; or
- **We** know or should know as an insurer; or
- **We** waive **Your** duty to tell **Us** about.

If **You** do not tell **Us** something **You** are required to, **We** may cancel **Your** contract or reduce the amount **We** will pay **You** if **You** make a claim to the extent of any prejudice suffered by **Us** arising from **Your** failure to comply with this condition, or both.

If **Your** failure to tell **Us** is fraudulent, **We** may refuse to pay a claim and treat the contract as if it never existed.

Renewal Procedure

Before the **Policy** expires, **We** will advise **You** via **Your** broker, whether **We** intend to offer renewal and if so on what terms. This advice also applies for any offer of renewal **We** may make, unless **We** tell **You** otherwise.

It is important that **You** check the terms of any renewal offer before renewing to ensure that the details are correct. In particular, check all limits (including aggregates and sub limit(s)) and applicable deductibles to ensure the levels of cover are appropriate.

Please note that **You** need to comply with the duty of disclosure before each renewal.

Retroactive liability

The **Policy** does not provide cover in relation to events that occur before the **Retroactive Date** as stated in the **Schedule**.

Average provision and Allocation of loss between the Insured and Insurers

One of the **Policy** terms provides that if **You** incur loss covered by the **Policy** with other loss that is not covered by the **Policy**, or if a claim is made against **You** and it is impossible to identify whether loss is attributable exclusively or primarily to a covered cause, or the claim against **You**, as appropriate, then **You** together with **Us** will use our best efforts to agree to a fair and proper allocation of the loss between **Us** and **You**. Please refer to the policy wording for full details.

The **Policy** may also provide that, where the amount required to dispose of a claim exceeds the limit of the **Limit of Liability** in the **Policy**, **We** will be liable only for a part of the total costs and expenses which will be the same proportion of the total expenses as the limit bears to the total amount required to dispose of the claim.

Liability assumed under agreement

Cover provided by this form of liability insurance does not cover liability which **You** have agreed to accept, unless **You** would have been so liable in the absence of such agreement.

Utmost good faith

The **Policy** is based on the utmost good faith requiring **Us** and **You** (including third party beneficiaries after the **Policy** is entered into) to act towards each other with the utmost good faith in respect of any matter relating to the **Policy**. A failure to comply is a breach of the *Insurance Contracts Act 1984* (Cth).

Sanction Limitation Clause

Please note General Condition 9. Sanction Limitation Clause, which prevents **Us** from providing cover, benefits or paying claims where that would expose **Us** to any sanctions, prohibitions or restrictions.

The General Insurance Code of Practice

The Insurance Council of Australia Limited has developed the General Insurance Code of Practice ("the Code"), which is a voluntary self-regulatory code. The Code aims to raise the standards of practice and promote consumer confidence in the insurance industry.

Lloyd's has adopted the Code on terms agreed with the Insurance Council of Australia. For further information on the Code please visit www.codeofpractice.com.au

After the cooling off period ends **You** continue to have cancellation rights under the **Policy**. These rights are set out in the General Conditions of this document.
